

Application for change in contribution plan

The amount of the employer's and insured person's pension fund contributions is regulated in the pension fund regulations. When choosing "PLUS" contribution plan (optional plan), the insured person can make additional savings contributions, the total amount of savings of employee equals employer contribution.

If you have opted for the PLUS Plan, it is also possible to switch back to the STANDARD plan at any time.

The desired change takes effect starting from the following month after the application has been filed. The contribution rates and contributions are shown in the insurance certificate, which is updated annually on 1st January each year.

- Contribution Plan PLUS application
I hereby apply for inclusion in the PLUS contribution plan from the 1st of the following month and note that my pension fund contributions will increase accordingly from this date. The increased savings contribution will be credited to by personal retirement savings capital.
- STANDARD contribution plan application
I hereby apply to switch to the STANDARD contribution plan from the 1st of the following month and note that my pension fund contributions will be reduced accordingly from this date.
